Sarah's Karaoke Meetup was named in 2019 in honor of Sarah, a TotalLink participant with such a love for Karaoke that for her 30th Birthday, she asked for donations to TotalLink to be able to run a monthly Karaoke program. Today, the program is generously sponsored by Marv and Barbara Feig.

TotalLink 2 Community's mission is to enhance our communities by providing opportunities for people with disabilities to contribute and grow through employment, social connections and life-long learning.
